He also said that Ambedkar made India strong from his intellect and that he made educational field equal in all forms and he emphasized the education of girls in the society. As a result of that, today we are providing lot of concessions and scholarships for girls every where even in our college. Our college has been working on the ideologies of Ambedkar from the beginning. He mentioned that we have been celebrating Ambedkar Jayanthi from past 95 years and it has gained such importance all over the world. He concluded her talk by saying we should never forget our roots and history as those who forget history cannot create history, as said by Ambedkar.

Prof. A. Prakash informed us about the origin of the name "AMBEDKAR" and also the difficulties he faced during his schooling.

The Guest of Honor Sri. Puttaswamy. M spoke about the Indian Revolution and how it played a vital role in the formation of the "Indian Constitution". He said that along with Ambedkar being a philosopher, he was an Economist, a law minister who fought for equality and indiscrimination of people and led the Indian society towards progress without any discrimination. He said that Indian Constitution is one of the best Constitution the world has seen which allows the citizens to enjoy fundamental rights without any discrimination based on gender or caste. He also gave a comparative description about our constitution with other constitutions of the world and said that though countries like America and England have framed their constitution long back they were not able to include the privileges the citizens of India enjoy today. He emphasized that it is our basic right to know the required clauses of the constitution and enjoy the perks of being the biggest democratic country in the world. He mentioned that Ambedkar Jayanthi is celebrated as "Knowledge Day" throughout the world.

Dr. B Jayashree in her presidential remark told us about how concentrated Ambedkar was in his academics and asked all of us to inculcate the same. She also added that freedom comes with certain limitations, rules and regulations.
